Faculty Colleagues,

The anticipated approval of the District budget by the Governing Board on May 23 clearly impacts the ability of faculty to consider ratification of a fully updated RFP prior to the end of accountability. Working with Chancellor Harper-Marinick, the Faculty Executive Council (FEC), in consultation with Faculty Association legal counsel, agreed that

1. RFP ratification ballot links will be sent to Faculty Association member home e-mail addresses on Friday, May 5. Ratification will remain open until Friday, May 19.
2. Upon adoption of the District budget by the Governing Board, the relevant sections of the RFP that relate to faculty placement and compensation (Section 4, Appendices C and E) will be updated appropriately and a Memorandum of Understanding (MOU) will be signed by the Chancellor and FA President to bring the RFP into alignment with the action of the Governing Board.

If you are a current Faculty Association member and do not receive a ballot, please respond to this message with the following information.
